Team Members & Their Roles..... 16

Book Milestones 17

CHAPTER 1

FROM PARAMEDIC TO COMMAND: A LIFE OF SERVICE AND DRIVE

- Personal story of balancing full-time paramedic work and full-time college
- Early discovery that leadership is about service, not position
- Lessons in grit, sacrifice, and purpose
- Introduction to values-driven leadership
- Core Truth: Willingness to work hard sets the stage for influence
- Reflective Question: What small decision could you make today that your future self would be proud of?

CHAPTER 2

FEEDBACK, NOT FLATTERY: THE POWER OF BEING COACHED

- Shift from seeking validation to embracing honest feedback
- Distinction between coaching and mentorship
- Importance of personal growth over praise
- Example of how being coachable transformed your mindset
- Core Truth: Being coachable is more valuable than being talented
- Reflective Question: What truth about yourself have you been avoiding?

CHAPTER 3

YOUR ATTITUDE SETS THE ATMOSPHERE

- The contagious nature of attitude in leadership
- Influence of mindset on team culture and outcomes
- Story of leading through energy and presence
- Attitude as a leadership responsibility, not a mood
- Core Truth: Your attitude sets the tone for everything and everyone
- Reflective Question: What part of your mindset needs to change?

CHAPTER 4

LEAD LIKE A HUMAN, NOT JUST A TITLE

- Leadership is more than authority; it's about connection
- Emphasis on empathy, presence, and active care
- Influence through trust, not control
- Supported by Maxwell's quote: "Leadership is influence, nothing more, nothing less"
- Core Truth: Real leadership begins with empathy and connection
- Reflective Question: Are you leading with intention or reacting out of habit?

CHAPTER 5

THE HIGH ROAD IS THE ONLY ROAD

- Choosing character when it's inconvenient
- Leading by principle even when unnoticed
- Personal example of taking the high road
- Long-term trust built through small decisions
- Core Truth: Integrity compounds influence over time
- Reflective Question: When have you chosen the high road and how did it shape you?

CHAPTER 6

BE THE TRUSTED COMMUNICATOR

- Story of building a culture around direct and open communication
- Clarity as a leadership discipline
- Importance of truth-telling with empathy
- Creating safe spaces for honest dialogue
- Core Truth: Trust grows where clarity lives
- Reflective Question: Where are you not being as transparent as you should?

CHAPTER 7

WHAT THEY SAY WHEN YOU'RE NOT IN THE ROOM

- Impact of consistency and fairness on reputation
- True leadership is proven in your absence
- How employee trust is earned over time
- Real stories and feedback from staff
- Core Truth: Accountability builds morale and trust
- Reflective Question: What standard do you need to raise for yourself?

CHAPTER 8

EARNED, NOT ENTITLED: WORK ETHIC THAT ELEVATES YOU

- Personal mantra of showing up and working hard
- Demonstrating discipline and leading by example
- Inspiring performance through visible standards
- Countering entitlement with effort
- Core Truth: You can't fake discipline
- Reflective Question: Are you modeling what you expect from others?

CHAPTER 9

RETAIN, REBUILD, REIGNITE: WINNING THE TALENT WAR

- Story of retaining top talent through culture and accountability
- Making employees feel seen, valued, and stretched
- Role of leadership in creating psychological safety
- Importance of clarity, challenge, and care
- Core Truth: People stay where they are seen, valued, and held accountable
- Reflective Question: What would your best employees say about your leadership?

CHAPTER 10

LEAD YOURSELF LIKE YOU MEAN IT

- Leadership habits beyond the office: reading, reflection, health
- Story of implementing Leadership disciplines
- Daily decisions that sharpen leadership edge
- Lifelong learning as a non-negotiable
- Core Truth: Self-leadership sustains public leadership
- Reflective Question: What discipline must you implement today?

CHAPTER 11

THE RIPPLE EFFECT OF COACHING

- How coaching transformed your leadership impact
- Growth through the development of others
- Coaching as a multiplying influence
- Real examples of team transformation
- Core Truth: Coaching multiplies growth beyond one person
- Reflective Question: Who are you becoming through the people you develop?

CHAPTER 12

TRAIN THE MIND, TRANSFORM THE CULTURE

- Providing accessible tools for leadership growth
- Stories from training programs and book-based coaching
- Leadership as a mindset practice, not a one-time event
- Culture shaped by leaders who stretch people
- Core Truth: Growth cultures are built by growth-minded leaders
- Reflective Question: Are you enabling success or excusing comfort?

CHAPTER 13

STOP WAITING. START LEADING.

- Encouraging the reader to own their leadership influence
- Story of rising beyond background or title
- Reinforcing confidence and belief in personal leadership power
- Leadership is available to everyone, not a select few
- Core Truth: Influence begins with believing you matter
- Reflective Question: What would your life look like if you stopped playing small?

CHAPTER 14

LEGACY OVER RESUMES: WHY GROWTH IS THE REAL REWARD

- Service and impact over titles and positions
- How people define your leadership legacy
- Influence measured in lives changed, not roles held
- Encouragement to focus on legacy over ladder
- Core Truth: Leadership is a legacy built through others
- Reflective Question: What impression would you leave if you exited today?

CHAPTER 15

THE ACCOUNTABILITY ADVANTAGE

- Why top teams demand accountability (include information about individual accountability and personal accountability as well)
- Culture of ownership creates loyalty and growth
- Accountability as a leadership gift, not punishment
- Examples from high-performing organizations
- Core Truth: Your best people crave clarity and high standards
- Reflective Question: What culture are you creating through your accountability?

TEAM MEMBERS & THEIR ROLES

The following role definitions are applied to the resources assigned to this project:

Director of Design and Content Formation	Responsible for executive team approval for the project and its publication
Account Manager	Responsible for building a healthy relationship with the customer
Writer	Responsible for the content formation of the book
Designer	Responsible for designing a book cover and illustrations, if any.
